- ANB Futbol has invited various university coaches from Canada & the United States who are looking for athletes interested in university scholarships.

In the past six years, over 25 players were invited to various trials in England, France and Italy, based on their strong showing in the ID Camp.

“We are building on the successes of previous years, and we anticipate a stronger group of players being a part of the event this year. We will also enjoy the interaction between professional coaches and the local soccer community,” said Bassam Naim, Academy Director.
