

## **ANB Futbol – Two players offered trials in France**

August, 2017 (RELEASE) --

ANB Futbol continues to provide professional youth trial opportunities to its full-time players. Two players were recognized at the most recent ANB Annual ID Camp held in June, 2017. **Adam Rustami** and **Jonathan Ingram** (both 2004 born) will be traveling to France in the middle of August, 2017 and have the chance to experience a professional youth Formation Centre environment for one week. They will train and play with Academy players from the Ligue 2 club, **Le Havre AC**, as well as hopefully create their own path in the European futbol world. The players will also participate with Le Havre AC, in a national French tournament on Sat. 26 Aug. 2017, hosted by Orvault Racing Club.

**Adam Rustami (2004 born)** – member of ANB Futbol since he was 7 years old; central mid-fielder who has participated in various local tournaments, and on European trips, most recently in the Youdan Trophy (Sheffield, England).

**Jonathan Ingram (2004 born)** – member of ANB Futbol for past 4 years; attacking player (striker & winger) who has participated in various local tournaments, and on European trips, most recently in the Youdan Trophy (Sheffield, England).

Professional scouts from major European clubs continue to be in contact with ANB Futbol and are following up on players who have previously been on trial.

“Being invited to the Formation Centre of Le Havre AC is a testament to the quality of the players’ individual performance at the ID Camp and commitment to the overall ANB Futbol philosophy. I am confident the players will learn from the experience, especially being involved in the tournament, and be one step closer to their personal futbol goals. We will continue to work with all ANB athletes to ensure their aspirations are achieved,” said ANB Futbol Academy Director, Bassam Naim, who will be traveling with the players.

ANB Futbol's vision is to become Canada’s leading soccer development organization. Its mission is to identify Canadian soccer talent, and to maximize the potential of players at any level, through professional coaching and training. ANB Futbol is a proud member of Soccer Academy Alliance Canada (SAAC), whose mandate is to develop players in a professional environment.
