PABLO MENDOZA SIGNS PROFESSIONAL FUTSAL CONTRACT IN COLOMBIA

ANB Futbol technical mid-fielder signs as a professional with Club Deportivo Saeta.

Pablo Mendoza (1998 born) has been traveling to Colombia over the past few years, training and playing with Club Deportivo Saeta, a professional futsal club in Bogota, Colombia. Earlier this year, Pablo accepted a professional contract offer to play with the 1st team on a full-time basis. The club competes in the Colombian national futsal league, Liga Argos Futsal. Most recently, the team participated in the Copa Independencia 2017, hosted by the Costa Rica Futsal Association. Club Deportivo Saeta won the tournament, beating the Canadian futsal champions, Sporting Montreal, in the preliminary rounds.

Pablo joined ANB Futbol as an 8-year-old, and has always displayed raw technical talent. He has played in various age groups with ANB Futbol, most recently winning the Soccer Academy Alliance Canada U20 league and cup in 2016. When traveling with ANB Futbol teams for tournaments and showcases, university and professional academy coaches were impressed with his skill and ability to set up strikers for goal scoring opportunities.

ANB Futbol Academy Director, Bassam Naim, is extremely happy for Pablo's success: "Pablo has chosen to fulfill his futbol dreams by playing futsal, a very technical sport played under pressure and limited space. He can manipulate the ball very well and futsal is the perfect scenario for Pablo to showcase his abilities. We have seen Pablo grow up in the Academy and I look forward to seeing him continue with his futsal professional career."

ANB Futbol's vision is to become Canada's leading soccer development organization. Its mission is to identify Canadian soccer talent, and to maximize the potential of players at any level, through professional coaching and training. ANB Futbol is a proud founding member of Soccer Academy Alliance Canada (www.academysoccer.ca) & supports its activities to promote the development of soccer in Canada.
