December, 2017 (RELEASE) – ANB Futbol is pleased to announce another ANB Futbol athlete will have three trials with professional academy teams in France. **Alessandro Tansella (1999 born)** is presently in Paris to train and have the opportunity to be seen by the following clubs:

FC Lorient (France Ligue 2)

Racing Club de Lens (France

Ligue 2)

Valenciennes FC (France Ligue 2)

Alessandro has been a member of ANB Futbol since he was 9 years old, playing in various age levels throughout his development, most recently on the U20 team which won the Soccer Academy Alliance Canada (SAAC) league and cup titles in 2016 and 2017. He participated in many professional youth tournaments in Europe and American universities have offered scholarship opportunities, but Alessandro decided to pursue his life-long dream of becoming a professional futbol athlete. He holds European documentation which allows for easier access to clubs.

Most recently, Alessandro has been training with a scouting organization in Italy. He has played games in front of various scouts from Serie D, C & Serie B clubs in the past few weeks.

Highlights of Alessandro's play can be found at <https://vimeo.com/199579706>

"Alessandro has been training hard for the past few months to obtain an opportunity to play professionally in Europe. We are working on providing the best "fit" to continue his development and we are confident he will continue to fight for his goals. Alessandro has been a model ANB Futbol player throughout his years, progressing to a strong, technically efficient, defensive midfielder. France will be another challenge for Alessandro and we wish him only good things for his future." says Academy Director, Bassam Naim.
