## ANB FUTBOL – Partnership with Professional Player Agency “GLOBAL PREMIER MANAGEMENT”

ANB Futbol has established a partnership agreement with **Global Premier Management**, a professional futbol agency which represents futbol athletes throughout the world.

The focus of the partnership will be to expose talented ANB Futbol players to professional clubs in N. America & Europe, as well as open doors to athletic scholarship opportunities in the United States. Global Premier Management, based out of Boston, MA, has a long history of representing national team & professional players.

“We are happy to be working with a qualified group of recognized agents, who are well regarded in the futbol industry. ANB Futbol players will be confident in knowing their interests are well protected,” says ANB Futbol Academy Director, Bassam Naim.

Global Premier Management, through Nicco Roffo, represents Adonijah Reid, a young ANB Futbol player who was selected by FC Dallas in the most recent MLS Super Draft.

“We are excited to be working with ANB Futbol. We are impressed with the quality of players & staff, as well as the long-term vision of the organization. We look forward in assisting more ANB Futbol players in achieving their professional dreams, and then representing their interests once they are ready to sign their professional contract,” explains Patrick McCabe, President of Global Premier Management.

ANB Futbol's vision is to become Canada's leading soccer development organization. Its mission is to identify Canadian soccer talent, and to maximize the potential of players at any level, through professional coaching and training. ANB Futbol is a proud founding member of Soccer Academy Alliance Canada ([www.academysoccer.ca](http://www.academysoccer.ca)) & supports its activities to promote the development of soccer in Canada.
