

## Professional trial opportunities for ANB Futbol player

July, 2017 (RELEASE) – ANB Futbol is pleased to announce that an ANB Futbol player received official trial opportunities with youth academies in Europe. **Jordan Araujo (1999 born)** will travel to Portugal and join the following clubs in their pre-season training:

Brighton Hove & Albion FC (England Premiership) – U18 pre-season training camp

Sporting Clube de Braga (Portugal Premiera Liga) – U17 pre-season training camp

Futebol Clube de Vizela (Portugal LigaPro) – U18 pre-season training camp

Jordan will be leaving Canada in the middle of July, 2017 & spend close to one month training with the various clubs in the hopes of being invited to stay full time with one of the clubs' academy programs. Jordan was provided these opportunities based on his performance in the most recent ANB Futbol International ID Camp.

Jordan has been a member of ANB Futbol for the past 9 years, competing in various age groups starting with the U10 program. Most recently, Jordan has had trial with Sporting Clube de Portugal (2016), Dinamo Zagreb in Croatia & ESTAC Troyes in France (2017). All clubs are still interested in his development and are monitoring his progress.

"Jordan is a technically gifted midfielder who can provide opportunities for attackers with one deceptive pass. We truly hope he will be able to do the same in Portugal and we look forward to hear good reports of his trials. It is fortunate Jordan has European documentation which affords him an opportunity to stay with European clubs, should the opportunity present itself. We wish Jordan well," says Academy Director, Bassam Naim.
